City Will Order Callans To Meet Deadline on Road

Before its study session Thursday night next week, the city council expects to wrap up its prolonged negotiations with Callan Company on the latter's commitment to realign old Edgmar road to complete Eastmoor avenue.

Mike Callan confirmed to the council Monday that his firm would live up to their agreement for paving the link as soon as possible. To make sure this is expedited, the council plans to set a firm deadline by which the Callans must have the alignment completed.

Conclusion of the exchange of deed on the new portion of Eastmoor and vacation of the old road by the city will allow Jefferson Elementary District to proceed with final grading and construction of M. Pauline Brown school in St. Francis Heights.

COUNCIL MULLS SALARY HIKE REQUESTS HERE

City councilmen are studying new salary requests from Municipal Employees Union Local 919 and the fire and police associations.

The union workers—about 60 all told—are asking for \$30 a month more for employees who make up to \$600 and \$50 a month more for those over that figure. A flat five per cent across-the-board hike is asked by the fire and police groups—some 69 employees.

City Manager George Watts, noting that new fiscal salary requests in other Peninsula cities ranged from 2½ to 8 per cent, said he felt the requests here were logical in view of the cost of living index. Last year municipal employees here got 5 per cent increases.

Outcome of the sales tax election will make quite a difference in the new fiscal budget. The council gets down to work on the budget later this month.

Driver Rams Pole To Avoid Collision On Mission Street

Head and chest injuries were suffered by Michael Ernest Holcomb when his car plowed into a utility pole near the intersection of Mission street and Bismark avenue early Sunday morning.

According to Daly City police officer Frank Stables, Holcomb swerved his car toward the pole in order to avoid a head-on collision with an unidentified vehicle.

He was taken to Junipero Serra Hospital where treatment was given for contusions and abrasions before being released to return to his home at 97 Los Olivos.

QUALIFICATIONS, OBJECTIVES

Voters should weigh following qualifications and objectives of five candidates for two Jefferson Elementary School District trustee jobs next Tuesday at the polls.

WAYNE DOUGLAS—Age 34, born in Ohio, Westlake resident almost 5 years, 1147 So. Mayfair. Attorney, two degrees from Ohio State University. World War II Army veteran. Son Stephen, 10, attends Westlake School. Member of

The school board, unconvinced that the Callans would meet their agreement with the city to the letter, earlier filed papers of necessity for two alternate school sites—both on Callan land, one behind the Serra Theater and the other in the

middle of Callan's proposed 21-acre development west of St. Francis Heights near the high school.

Trustees probably will cancel these alternates once they are certain Callan will fulfill his Edgmar road obligation.

At this time, however, it appears that it may be possible to confine double sessions to two schools. This will be the case unless growth in student population figures by next

September forces more double sessions into existence than are envisioned now on the basis of known and anticipated enrollments, Stratton said.

The two schools which are planning on double sessions, and the grades affected, are the Garden Village fourth grades, and all grades at Vista Mar. Vista Mar will be accommodating pupils from Abraham Lincoln and Thomas Edison areas until about the middle of January, when these buildings are slated for completion by architect Angus McSweeney.

Children from the St. Francis Heights area will be transported by school bus to Jefferson School until the January completion of Daniel Webster. Complete relief from double sessions should be a reality when the three McSweeney schools, Lincoln, Edison, and Webster, are finished.

Double sessions are to be kept to an absolute minimum by the continued utilization of temporary classrooms, special rooms, and all multi-use rooms except those at Colma and Benjamin Franklin. In addition, the district will continue to transport children in some cases from their own areas to other schools where facilities exist for them.

Following the principles upon which the September classifications are based, Stratton noted:

1. When double sessions are necessary, these should be centralized in as few schools as possible.

2. Transportation of pupils from one area to another should be minimized. Where

Lowrie Paving Company won the street resurfacing pact with a low bid of \$18,434. About 10 streets are to be brought up to par within about a month.

Nine firms will supply the new fire equipment at a total price of \$20,935.

Watts noted that the new police cars and motor pool vehicles, as well as a new vehicle for the fire chief, should be received in about two weeks. The other new autos and trucks have arrived.

The council Monday also finalized its contract with the architect John Gloe on the \$177,000 Westlake library, due to be finished in about 12 to 14 months, according to Watts. A Westlake resident, Gloe will get 7

'Blood For Veterans Week' Set By Mayor

Mayor Edward Dennis by official proclamation has designated the week of May 17 to 23 as "Blood For Veterans Week" in Daly City.

Noting that the blood donation quota at Ft. Miley Veterans Hospital this year is 2700 pints, the mayor urges all citizens to donate through Irwin Memorial Blood Bank in San Francisco.

Only Two Schools? JESD TELLS DOUBLE SESSIONS OUTLOOK FOR THIS SEPTEMBER

As predicted by school authorities early this school year, some schools in the Jefferson Elementary District will be on double sessions when the fall term begins, Dr. Vinton Stratton, assistant superintendent for instruction, confirmed today.

At this time, however, it appears that it may be possible to confine double sessions to two schools. This will be the case unless growth in student population figures by next

FATE OF SALES TAX SHOULD JAM POLLS

EYE-GETTER urging full public response in Tuesday's school trustee and sales tax elections here is stylist Pat Strasser, a Colma dandy who is going places. She's running for the Miss San Mateo beauty title. Polls will be open here from 7 to 7 on May 19—for the school and tax decisions, that is.

BRINGS \$350,000 A YEAR

Majority Seem To Support Levy; 'No' Ballots Will Keep It Here

The penny sales tax, put into effect here early last year by 3-2 vote of the council, faces a decision by the people next Tuesday that will have a strong bearing on the city's future.

A high percentage of the 14,182 registered voters are expected to invade the 15 consolidated precincts. The polls will be open from 7 a.m. to 7 in the evening.

The crucial ballot reads: Shall Ordinances Nos. 463 and 464, which impose a 1-cent sales and use tax in this city, be repealed?

A simple majority decides the issue.

Supporters of the sales tax, led by Councilmen Joseph Verducci and Francis Pacelli and the Chamber of Commerce, point to its critical value in providing funds for capital improvements and a reduction in property taxes. Without sales tax, these spokesmen point out, the improvements program will be crippled and property taxes will go higher.

Verducci and Pacelli, along with former Councilman Del Wilson, voted in sales tax in 1958. Opposing the measure then were Councilman Michael DeBernardi and ex-Councilman Sanford Vickers. The latter pair thought the decision should have been put to a vote of the people.

New Mayor Edward J. Dennis and Councilman Bob St. Clair campaigned successfully last year, in winning council seats, with pledges for repeal of the tax. All five councilmen, however, are agreed now that the city will suffer heavily if

Tuesday's outcome repeals the tax.

Verducci and Pacelli have made sustained efforts the past few months before many civic groups and clubs, urging support of the sales tax.

One oddity about Tuesday's election is the wording of the issue. Citizens for the sales tax must vote "no" to keep it since the declaration is...shall the tax be repealed? Those against the tax, on the other hand, would vote "yes"...for its repeal.

HOMEOWNERS LOSE 'SWITCH' ON RESERVOIR

After hearing a decisive but still challenged special report on a citizen-suggested site, the city council Monday night turned down the request of Unit 9 homeowners for the relocation of City Reservoir No. 6 west of Skyline boulevard.

The council was unanimous (Michael DeBernardi was absent via illness) in the verdict, based on a \$1500 supplemental soil tests report they granted the homeowners as a last-ditch effort to settle the issue.

Bids are to be awarded on the four-months-to-build, prestressed concrete tank by June 8. These bids range from a low of \$98,356 to \$104,703.

C. L. Lowry, soils engineer, Monday reported that the citizen-preferred site, some 80 yards south of the city site (adopted three years ago), would be less safe because of its closer proximity to the earthquake and slide area towards the cliff-side.

Lt. Col. Rufus McCracken and Attorney Donald King, representing the 15 reservoir-fronting property owners and Westlake Improvement Association, argued that their site was just as safe as any others in the area.

The council and Public Works Director Otis Calhoun admitted that building of homes and the reservoir west of Skyline was a calculated risk due to the San Andreas fault line, erosion and quake threats. But they maintained that the sixth reservoir site would still be safer than the existing city reservoirs, particularly reservoir 5 in the Palisades which was cracked by the early 1957 quake.

Baiting Calhoun in particular, McCracken did not receive an answer when he asked the works director if it was feasible for Doelger to build homes west of the reservoir site in view of the dangers there which the city said prevented a move of the reservoir site.

Councilmen said they were satisfied with the supplemental report of the soils engineer and

B'MOOR POLICE BLOCK SUICIDE ATTEMPT HERE

Broadmoor police halted an alleged suicide try by a San Francisco house painter Friday night about 10:30 in the backyard of his ex-wife's home at 755 87th street.

Chief Ray Savage said Officers George Carleton and Irv Schwartz were assaulted by Paul Tranchina, 46, when they attempted to restrain him. The depressed man, reportedly upset because his former spouse refused reconciliation, had attached a garden hose around his neck and connected it to a 10-foot-high trellis.

Tranchina, address 359 Drumm street, was transferred to Community Hospital for 72 hours observation.

Bids Begin On Webster, Edison, Lincoln Schools

Bids for the three new Jefferson Elementary District Schools are now being accepted, following an action by trustees at their regular meeting last week.

Their action followed a recommendation made by Architect Angus McSweeney who reported that the Thomas Edison, Abraham Lincoln and Daniel Webster plans are now completed and approved.

The architect's construction figures for the three plants are: Lincoln, \$491,401.16; Edison, \$491,705.78, and Webster, \$493,686.34. All three buildings will be of the K-6 type, containing 12 classrooms, a kindergarten, a library, a multi-purpose room, and an administration building. Construction should start next month. All three should be ready for students next January.

The jewels are safe, mom and dad are back to normal, and the police are relieved.

JESD TELLS DOUBLE SESSION OUTLOOK HERE

this is necessary, it is more preferable to transport older children than younger ones.

3. The provisional boundaries previously established by the district should be maintained until the opening of new schools dictates the re-definition of attendance centers. Boundaries and grade levels are attached hereto.

4. If feasible, only rooms established as regular classrooms in the justification documents should be used. However, because of the necessity for double sessions, this is not feasible until the three new schools (Abraham Lincoln and Thomas Edison in Westlake Knolls, and Daniel Webster in St. Francis Heights) are completed early in 1960.

5. Schools established for specific grade levels (K-3, K-6, or 7-8) should be filled in that manner if conditions permit. This will not be possible, however, in 1959-1960 because of the shortage of classroom spaces.

6. The budget of the district is predicated on the revenue derived from an average of 35 pupils enrolled in each class across the district as a whole. Each principal shares the responsibility for maintaining this average load within his school.

7. The staggered day program should be maintained for grades 1, 2, and 3, where possible. Where double sessions are necessary, it is suggested that fifth grades be double sessions first, fourth grades double sessions second, and sixth grades third in order to preserve the possibility of having the staggered day reading program.

8. Though it is desirable to have special rooms available in each school for their originally designed functions, the use of all such facilities for the relief of double sessions will be necessary until the opening of new schools makes this no longer necessary.

9. In order to equalize teaching loads and maintain the necessary average class size in particular schools, split grades may be necessary here and there.

The schools, and the grades they will include from September until January, are as follows:

Crocker-Pershing, kindergarten through sixth grade; Woodrow Wilson, kindergarten through fifth grade; three fifth grade classes will go to Jefferson, and one will go to Thornton; Vista Grande-Thornton, kindergarten through sixth grade; Colma 7-8, seventh and eighth grades; Colma K-6, kindergarten through sixth grades; Jefferson, kindergarten through sixth grades; Daniel Webster, kindergarten through sixth grade, at Jefferson until school is built; Garden Village, kindergarten through fourth grades. JUHS TEACHERS ASK \$76,240 IN WAGE HIKES

New salary schedules for administrators and teachers were adopted by the Jefferson High School District trustees Monday night.

This means that teachers in the district will now receive an additional \$76,240 in pay and that administrators will also benefit from a sizable wage increase which will put them on a par with most other Bay Area schedules.

A further result of the board action means that administrative salary rates will now be controlled by a percentage index.

This works through the affixing of a number to the position in question which is used as a multiple with the highest teacher's salary and then arriving at a final figure by subtracting \$360.

For example, the index rating for the positions of business manager and director of instruction is 155.

This gives them a salary range of \$12,135 to \$13,935. Principals have rating of 150, the adult administrative assistant 130, and the psychologist 113.

It was pointed out that the new pay schedules are still below those offered by San Mateo and Sequoia districts.

The board also heard a presentation by the architectural firm of Falk and Booth of plans for the Terra Nova project in Linda Mar. These were accepted and bids for late summer grading there will soon be let out.

Money for the project will be taken from the general fund in order to save the district four to five months of time on the project.

It was noted that architect Mario Ciampi is now drawing up plans for the renovation or reconstruction of Jefferson High School.

Finally, the board unanimously voted to order condemnation of the house and two lots which belong to Mr. and Mrs. James Gallagher, 12 Sharon way, Pacifica. This action followed a refusal by the couple of an offer of \$9,875 for the property which will be used in the Oceana High School project in Sharp Park.

DC Police Help Agents Capture 'Illegal' Chinese

Police and immigration officers flushed six Chinese seamen from their hiding place at 873 Hillside boulevard early Sunday morning.

Three of the illegal entrants escaped from the rear windows only to be caught by the waiting officers who had surrounded the building.

In the meantime, Daly City officers Jack Walsh and Ralph Warren entered the building with the immigration men and caught two more of the offenders.

Then a search began for the remaining man. He finally turned up, covering in a broom closet.

After their roundup, the offenders were held at the Federal Building in San Francisco.

Officials there declared that the men had jumped their ship, the Hong Kong Breeze, docked at Oakland's pier five, on May 6.

They refused to comment on the seamen's activities since that time, why they hid in Daly City and the motives for their illegal entry.

DC Police Seek Whereabouts Of Missing Housewife

Daly City police have filed a missing persons report on a 21-year-old Westlake housewife who left her South Mayfair apartment Friday night saying she was going to visit her mother in Los Altos.

Sought is Yvonne A. Schefsky, 21, who, according to her husband, Richard, has been depressed recently and under medical care. The couple have a 16-month-old son.

The husband believes his wife may be headed for Reno or Lake Tahoe, he said. A check with the woman's mother failed to produce her whereabouts.

The housewife, described as 5-5, 95 pounds, slight build, black hair and green eyes, reportedly left 111 South Mayfair Friday about 8 p.m., telling a baby-sitter she was going to visit her mother. Next morning her husband reported her missing and also their '57 station wagon, yellow and black, license number NHR 667.

Weibel Honored

Principals of the Jefferson Elementary School District honored outgoing Superintendent H. Z. Weibel at a breakfast given at the Colma school last week.

Miss Marjorie Tobias on behalf of the principals, presented Weibel with a portable radio. The presentation was made with the words, "Never mind about tomorrow it is always today; yesterday has vanished wherever none can say. Life itself can't give you joy unless you really will it, life just gives you time and space—it's up to you to fill it. Days are just like little stations placed along life's railroad track. Each 24 hours finds us passing through one and to none can we come back. And so may this station be the grandest of the stations you have passed and our wish is that many more await you, each one grander than the rest."

Breakfast was prepared by Mrs. Geraldine Vickers, manager of the Colma cafeteria.

PLEASE EXERCISE THE PRIVILEGE!

Three of the biggest issues in recent Daly City history will be voted next Tuesday in an election day that should bring a heavy turnout at the polls.

Majority sentiment seems to favor keeping sales tax to give the city critically needed funds for new buildings and help hold property taxes at a sensible level.

The high school and elementary trustee races are hard to predict, according to veteran observers throughout the community. Both campaigns are puzzlers—outcome-wise.

If sales tax is repealed, the edict will leave the city in serious trouble from a budget standpoint. Many long-planned projects will have to be delayed still more.

As for the school boards, we trust those who fail at the polls will not only be good losers, but will continue to show the same interest in the districts they are running to represent.

With the polls open from 7 a.m. until 7 p.m., everyone has plenty of time to make the precincts.

The important thing is vote—and vote intelligently.

25 Elementary District Students Attend Junior UNESCO Conference

Last Friday 25 students representing eight schools in the Jefferson Elementary School District attended the eighth annual Junior UNESCO Conference in San Bruno. The conference, held in the Belle Air school auditorium, lasted from 8:45 a.m. to 11:45 a.m. It offered an interesting and educational program for those who attended.

Highlight of the conference was an entertaining program which included a pantomime, songs, and a "Miss Universe Contest," featuring styles from 18 countries. Also included were student reports on the UNESCO chapters in the schools, refreshments, and folk dancing.

Students who attended from Colma 7th and 8th were Maureen Murphy, Lynn Leshner, Toni Matteucci, Sheila Waite, and Frances Taborsky. Delegates from Ben Franklin were Kenny Frieberg, Charles Pengra, Paula Hursberg, and Bethanne Lee. Those representing Westlake School were Doris Shildes, Neil Spilanich, and Susan Taylor. Michael Kennedy was the delegate from Thornton School. Bruno Hildebrandt, Robert Ashton, and Vera McCortney represented Woodrow Wilson School. Colma K-6's delegate was James Menconi. Crocker School was represented by Margaret Leonard.

Brisbane Wife Faces Incumbent For JC Trustee

Incumbent Eleanor D. Nettie is favored to retain her seat on the San Mateo Junior College District board of trustees next Tuesday when voters will decide one three-year position.

Mrs. Nettie is opposed by Brisbane housewife Mrs. Laura M. Johnson, 215 Klamath street. A San Mateo resident, Mrs. Nettie, 46, has been on the board since 1956 and has served as chairman. Her activities include work with the U.S. Civil Service Commission, past president of the League of Women Voters of San Mateo, membership on the County Committee for School District Organization, the County School Boards Association, County Probation Committee, membership chairman of 17th District PTA, and member of the County Advisory Planning Council's Schools Study Committee. She is a graduate of Burlingame High School and College of San Mateo.

Mrs. Johnson, 38, was a member of the Brisbane PTA executive board and also secretary of Brisbane Improvement Association. She contends that the north end of the county badly needs representation on the JC board. Her goals, she adds, are: an economical north county school, good salaries for good teachers, adequate school facilities and classrooms in fairness to taxpayers and students, and elimination of "unnecessary frills" in education.

Mrs. Johnson, mother of two girls, ages 8 and 4, attended high school and junior college in Canada. She came to Brisbane in 1941.

ELECTED secretary-treasurer of the Golden Gate Chapter of the National School Public Relations Association at its May meeting in San Francisco last week was David A. Willey (above), principal of Jefferson Elementary School and audiovisual coordinator of Jefferson Elementary School District. Willey last week was also elected vice president of the Bay Section of the Audio-Visual Education Association of California.

"DIFFICULT to make a choice," says Benjamin Bufano, world famed sculptor who headed the panel of judges which awarded the prize to Daly City's Ronald Bosc (center) in the poster contest. Jim Stettler (left), San Francisco boy, and Jan West were runners-up. Purpose of the contest was to choose a poster to publicize the Bay Area Ballet Company programs. Bosc is a graduate of Westmoor High.

Robertson School Dedication Set This Sunday In Bayshore City

"A unique school to honor an unusual woman" is the theme for the dedication and Spring Festival program for the new Garnet Robertson elementary school in Bayshore City, this Sunday, May 17, at 1:30 p.m.

The new school, built without state aid or bonds, is to be dedicated in the name of the outgoing chairman of school trustees, still a member of the board after 15 years of service.

The trustee, Mrs. Garnet Robertson, wife of a Bethlehem Pacific Coast Steel company shipyard worker, and past president of the local PTA, first was elected to the board in 1944. District attendance was only 150 students at one four-room school. It has grown to over 700 students.

The new two-story school plant is the fourth school built in Bayshore City, an unincorporated community adjoining the San Francisco county line in Visitation Valley. Financed entirely by tax monies saved, it cost a total of \$140,523, including land, fees, paving and construction. The school, sturdily constructed of concrete and building blocks, is located on a five-acre site off Schwer-

in street at the southern edge of Midway Village Naval Housing project and includes five classrooms, a library, nurse's room, faculty lunch room, and administrative offices. Principal of the school is Miss Gail O'Grady.

"We are very proud," Superintendent Natalie said, "the district has managed to avoid double sessions and yet has no debt." The land was obtained through the aid of Congressman J. Arthur Younger under provisions of the surplus property and administration services act of 1949. A recorded congratulatory message from Younger will be presented at the dedication.

Main speaker will be Superior Court Judge Frank Blum of Daly City. The program will open with a welcome to guests by David Barry, president of the Bayshore Elementary District.

Other guests will include Supervisor Tom Callan of Colma, Municipal Judge Charles Becker of Daly City, Jefferson High School Superintendent Edward Morgan, and Dr. Julio Bortolazzo, president of College of San Mateo.

FOR NATIONAL HONORS

Dinner Tribute Set Here June 2 Honoring School Architect Ciampi

Civic and school leaders here are planning a massive dinner tribute and awards ceremony for Architect Mario Ciampi on Tuesday evening, June 2.

The Better School Design Program, chairmanned by Edward Morgan, high school district superintendent, and H. Z. Weibel, elementary district superintendent, will honor Ciampi for his national-award winning design of Vista Mar Elementary school in Westlake and the \$3.5 Westmoor High.

The big evening will begin with open house and visitations at Vista Mar school on Southgate, with Principal Marjorie Tobias as host, followed by dinner at 7:30 in the Westmoor High cafeteria. At 8:30 p.m. participants will move to the Little Theater of the school for the presentation to Ciampi by the "School Executive" magazine.

Guest speakers will be Dr. James MacConnell, professor of education at Stanford, and Edgar Mosphet, professor of education at University of California.

After this tribute, parents and friends of the district will take open house tours of Westmoor from 9:30 until 10 p.m. Principal Glenn South will be in charge.

Dinner tickets are available

Ousted Jeff High Student, 16, Charged With Auto Theft

A 16-year-old Daly City youth, ousted from Jefferson High for his lack of discipline, was booked for auto theft Saturday about 11 p.m. after he tried to outrun a Broadmoor patrol car and Officer Al Nickas in the high-speed but brief race.

The boy, sent to Hillcrest Juvenile Home, admitted he had been drinking. Nickas and reserve Officer John Olson spotted the delinquent's auto on Washington street and the chase began. The latter turned onto San Pedro, then drove to the curb in front of Gino's Tavern and attempted to escape on foot.

The report showed the youth was driving 50 mph in the residential area during his flight from the officers.

HONORED for her achievements in vocational arts, Jefferson High senior Sharon Anderson (left) accepts a \$25 check from Louis Pisan, manager of Bank of America's Mission street branch in Daly City. His presentation resulted from a statewide outstanding students contest, conducted by the bank, in which Sharon won third place in the county. Principal John Morgan (right) observes her triumph.

THE RECORD photo

The Town Record

By ROY HURLBERT

Councilman Mickey DeBernardi made one of his rare "absences" from a City Council meeting Monday night.

The Sinatra-looking gas station owner was fighting the flu, reading his old home for sale, and "batching it" whilst his brood was out of town.

DeBernardi says he hasn't missed more than three council meetings (study sessions or regular) the past five years.

It's just plain sad so few folks attend the twice-monthly council sessions at 75 Wellington avenue. Usual attendance—when the issues aren't as hot as the Callans rezoning, Edgemar road and the reservoir fuss—is about 10 citizens. Always the same faces.

Councilmen react to their constituents better when they know they have a sustained interest in their labors on behalf of the community.

About the only time the place is packed is when one group gets fired over something involving their particular neighborhood. There just aren't many citizens who attend the meetings to listen to all agenda items.

Fellow cops called on Officer Charles Munday again recently on receipt of another "menagerie" call. A mother raccoon was reported lugging her infants "with some difficulty" outside a home here.

Charlie got there—but too late. As an animal psychologist, he has no peer. Always willing to help the four-footers.

Vic Ottoboni, teller at Lou Pisan's Bank of America branch top of the hill, is a popular young gent for two big reasons.

He has the looks for Hollywood stardom. And as a goalie for the Vikings, he is one of the outstanding soccer players in the United States. Read all about him in all Bay Area newspapers.

The Chamber of Commerce, spurred by Parkes Harris, another banker, has become one of the most active and forceful groups of its type on the Peninsula.

Taking a strong hand for sales tax, footing an awards night for high school scholars, planning to honor an outstanding silver anniversary couple, and ready for another beauty contest, the Chambermen have their hands full.

Their hearts are in the right places—to promote and better Daly City.

At long last, Fire Chief Elmer Kennedy soon will have a new car for his official duties. The old one is a much-repaired contraption.

Contrary to legend, Elmer does not wear red suspenders. Unlike rookie police and neophyte firefighters, the vets in these departments are modest dressers during off-duty time.

The younger lads are eager... and that's not bad.

Sight of Pat Strasser, local candidate for the Miss San Mateo beauty crown, is like a breeze on a long hot summer day.

If she doesn't win down south we'll lose our faith in the veracity of judges. Pat is out of this world in the look-see department.

Mrs. Orloff To Lead 'Crusade' In Residential

Mrs. Martin Orloff of Colma has been named county-wide chairman of the residential division of the United Crusade for 1959. The appointment was announced by Franklin Down-ton of Atherton, this year's campaign chairman.

"In addition to the money that the women of this county are expected to raise for the Crusade," Mrs. Orloff said, "We are also responsible for constantly reminding the county residents of the value of federated giving." Mrs. Orloff recently was appointed to a three-year term on the board of directors of the Family Service Agency, a member agency of the United Crusade.

Although residents of the county for only five years, the Orloffs have contributed much time and effort to the welfare of their home surroundings.

Mrs. Orloff has served the Crusade in a volunteer capacity continuously since she accepted the post of Broadmoor residential chairman in 1955 and 1956. In 1957 she was Daly City-Colma chairman and last year, she directed the solicitation of the residences of north county. In the past she has also had important functions to perform with both the Red Cross and the Salvation Army. Mr. Orloff is extremely active with the county T.B. Association.

The clubs to which Mrs. Orloff belong include the V.F.W.

YOUR CITY SALES TAX and WHAT IT DOES FOR YOU

(Editor's Note: Last in a series of articles supporting sales tax, submitted for publication by members of the city council of Daly City.)

Daly City voters will make a vital public improvement decision Tuesday—a decision affecting not only their financial welfare but the welfare of their children and perhaps even their grandchildren.

On Tuesday the voters of Daly City will decide whether the local penny sales tax, adopted a year ago, has been good for the community. They will vote "No" if they want to keep it; they will vote "Yes" if they want it repealed.

It is a question of whether the city will continue to raise several hundred thousand dollars each year through the sales tax or postpone indefinitely many desperately needed civic improvements or pay a higher price for them.

It is a question, too, of whether the homeowner will save from \$20 to \$30 on his yearly property tax bill—a saving made possible for the first time last year through the local sales tax.

But an even more serious consideration is the fact that within a year San Mateo county will levy a retail sales tax. All political winds are blowing in that direction. County officials see a county sales tax as a vast, untapped source of revenue. They know that San Mateo county is the only populous county in the state without a county-wide sales tax.

Quietly, these officials are at work behind the scenes to insure approval of a county sales tax. They want the cooperation of each city because each city, as its share in the partnership, will hand over to the county a sizeable portion of the sales tax revenues collected locally.

Under the present sales tax program, Daly City keeps all it collects. During the past fiscal year this totaled \$350,000. By city law, these funds were used and can be used in the future only for two purposes:

1. Reduction of real property taxes. (The cash saving last year to an average homeowner was \$25.)

2. Acquisition of capital improvements such as fire fighting equipment, water supply facilities, library building and expanded police facilities.

City law provides that sales tax revenues cannot be used for anything else—no employee salary increases, no additional personnel, no frills of any kind. Just basic, badly needed facilities to serve one of the county's fastest growing communities.

Without a sales tax these vital public improvements would have to be postponed indefinitely. Or they would have to be bought at a high rate of interest through bond issues that future generations will help pay for.

The local penny sales tax has received astonishingly vigorous support from school, church and other community leaders. Even the Daly City Chamber of Commerce, at first leery of the tax, has rallied to its defense.

In fact, opponents of the sales tax—if there are any—have been conspicuous by their silence.

We think the sales tax has proved itself an economical and efficient way to raise money for city needs.

We think the sales tax is a fair tax because it is levied on everyone—including the non-resident who benefits from our city's services.

We know that Daly City is much better off financially under the present tax program than she would be under a county sales tax program. And we feel sure that it is only a question of time before the county levies a sales tax of its own.

We suggest that each Daly City voter keep these considerations in mind when he marks his ballot Tuesday.

We urge him to vote "No" on the proposal to repeal the sales tax.

SAFETY THEME FOR WILSON TUESDAY MEET

Woodrow Wilson PTA's May meeting, next Tuesday, will feature the theme "Co-operation for National Safety." A student panel-discussion on vacation safety, and a film, "A Family Afoot in the Yukon," will be presented.

The meeting will be held May 19 at 7:30 p.m. in the school multi-use room.

\$70 Stolen From Couple's Home On Brunswick Street

Mrs. Daniel Fay reported that \$70 was stolen from her bedroom dresser in her home at 1011 Brunswick street.

Investigation by Daly City police officer Frank Johnstone uncovered the fact that Mr. Fay had found his back door unlocked when he returned home from work last Wednesday evening.

This led to the belief that the theft may have been committed at that time. However, no suspects could be found.

FIRST prize winner in local Catholic Daughters of America poetry contest, sophomore Monica Clark of Immaculate Conception, impressed the judges with her "My Rosary" entry. Her poem now goes to state and national competition.

Auxiliary 9921 of Broadmoor-Westlake, the Order of Eastern Star of Santa Monica, and Friends of the Library of Westlake.

Her role of den mother has just recently been completed. She and her husband and their 10-year-old son, Richard, make their home at 872 Thornhill drive, Colma.

VINCE MURPHY NEW PRESIDENT OF LOCAL LIONS

Annual election last week found Postmaster Vincent Murphy succeeding Ray Charette as president of the Daly City-Colma Lions Club. Murphy, a member of the Holy Angels Men's Club, lives in Broadmoor and is a police commissioner.

Other new officers are: George Glass, first vice president; John Putkey, second vice president; Sam Felsner, third vice president; Ted Weibel, secretary; Cliff Lipson, treasurer; Joe Long, tail twister; Howard Voldman, lion tamer, and directors Charette, Lyl Ingersoll, Ray Logan, Joe Rohl and Ray Lagomarsino.

The Lionesses will hold their regular meeting this Thursday evening at Uncle Tom's in San Bruno. This mother-daughter affair, featuring an apron parade, is being handled by Dolly Lewkowicz and Jo Putkey.

Speaker at this Wednesday's Lions meet will be B. R. Stokes, publicist for the Bay Area Rapid Transit District.

The club's recent dinner honoring Deputy District Governor Roy Arneson included guest Lions from San Francisco, Redwood City, South San Francisco and Brisbane.

FAMILY FRACAS, RICE STREET HUSBAND JAILED

A family battle landed 24-year-old James Lloyd Martin in jail Thursday after his wife, Lorretta Joyce Martin, 20, pressed an alleged assault and battery charge against him.

According to Sergeant Bruno Conci's report, he arrived in response to a call from the couple's home at 19 Rice street to find Mrs. Martin in tears.

She told him her husband arrived home drunk and struck her about the face and body. Conci then talked to her husband, who had gone to bed in the living room.

Martin, an apprentice painter, denied the charge, saying his wife was emotionally unstable and that he always came out on the losing end of these spats.

Then Mrs. Conci asked the officer to stand by while she packed some clothes before spending the night with a neighbor at 17 Rice street. She pressed charges the following day.

In her complaint it was noted that her screams at the time of the alleged beating were heard by her mother, who lives at the same address, and by a neighbor at 17 Rice street.

Her husband was released on \$500 bond to appear in South San Francisco municipal court this Thursday.

Daly City's Troop 65, under the leadership of Tony Fernandez, Assistant Scoutmaster, and Ernie Odell, Senior Patrol Leader, triumphantly brought a Class B banner home from the Boy Scout Camporee at Golden Gate Park last weekend.

The Axe Patrol, under the leadership of Bill Cunningham, and Glenn Eslick's Ladder Patrol, added up enough points to earn class B banners for their patrol flags. This was the first Camporee experience for the troop. Boys participating in the overnight campout were Scouters John Bell, John Bias, Denny Daley, John Healy, Butch McLin, Dave

The children had been studying these subjects in their Social Science class.

Miss Toddhunter Of Vista Mar Gets Surprise

By Phyllis Danforth

Cheese slicers and measuring cups were on the agenda of the Vista Mar School faculty meeting. Why this unusual subject matter? Because this so called "meeting" was actually a "gadget" bridal shower for Miss Allaire Toddhunter, first grade teacher at Vista Mar.

When Miss Toddhunter arrived for the scheduled meeting, she was greeted by cries of "surprise" and the flash of cameras which had been trained upon the doorway. The teachers' room which she entered bore little resemblance to a meeting room. The table was arranged with a bouquet of carnations and a large cake decorated with confectionary kitchen gadgets. One end of the table was dominated by a large yellow umbrella, surrounded by attractively wrapped gifts.

Miss Helen Paris and Miss Peggy Dwyer, faculty members of Vista Mar, were hostesses for the event.

Probably the most original gift was a live lizard, thoughtfully provided and beautifully wrapped by one of the school custodians. Although it received the most reaction from the guest of honor, it is needless to say that it was not her most treasured item.

Miss Toddhunter will be married August 1 to Richard Wolfson, a dental student at the College of Physicians and Surgeons.

Four Snell PTA Members Attend CCPT Convention

Four members of the James L. Snell PTA were in attendance last week at the 60th Annual Convention of the California Congress of Parents and Teachers met in Los Angeles.

The quartet were Mrs. Phil Glebow, incoming Snell president; Mrs. Warren Vocke, incoming vice president; Mrs. H. Clifford Warner, this year's Civil Defense chairman; and Mrs. Kenneth Gillespie, outgoing president.

Enjoying a busy whirl of convention activities both social and educational in scope, the four were part of a bumper-crop of CCPT delegates numbering almost 5000.

At sessions conducted by state president, Mrs. J. Frank Snowden, the delegates were privileged to hear such excellent speakers as Dr. Myron Olson, professor and lecturer on secondary education of the University of Southern California; Warren H. Schmidt, assistant director of university extension for University of California at Los Angeles, and Dr. Robert A. McKibben, director of the home mission section, Department of City Works of the Methodist Church in New York.

Bringing greetings from the National Congress of Parents and Teachers was Mrs. Clifford N. Jenkins, first vice president of the NCPT, and an educator and community leader in her own state of New York.

'60 DEADLINE ON GI LOANS IS EXPLAINED

Q—I know World War II veterans have a GI loan deadline coming up on July 25, 1960. Must a veteran's GI loan arrangements be all completed by then?

A.—No. That deadline is for making application for a GI loan. If World War II veterans apply by July 25, 1960, they have another full year in which to complete loan arrangements.

Q.—According to a GI insurance dividend statement just received, I have a substantial dividend credit with the VA. Will I still continue to receive premium-due notices, or will premiums be taken out of my accrued dividends?

A.—You will continue to receive premium-due notices, as before. Dividend credits are used by VA only to prevent lapse of a policy. Premium notices are not suspended where there are dividend credits.

Q.—A woman veteran neighbor of ours has just died, leaving a husband who is quite helpless. Isn't there some recent law which says a helpless widower of a woman veteran may receive VA benefits based on the death of his wife? And if so, what are the law's main provisions?

A.—You are correct. There is a new law. And it states that the unremarried widower of a woman veteran may receive VA death benefits if he is incapable of self-maintenance and, at the time of his wife's death, was permanently incapable of self-support because of physical or mental disability.

Q.—I am the beneficiary of my veteran-husband's GI insurance policy. He owed a few bills at his death, which I intend to pay. Meanwhile do these creditors have any right to seize the GI insurance policy to get their money right away?

A.—No. Proceeds of a GI insurance policy are exempted by law in your case from any claims of creditors. The proceeds may not be seized or attached to pay your husband's debts.

WESTMOOR KNOCKS OFF LEAGUE LEADERS

Rams, Tribe Win As Title Chase Goes To The Wire

Daly City's two prep baseball nines, both victorious Tuesday (Jeff 6-1 over San Mateo and Westmoor socking South City 8-1), hold the key to the pennant in games this Friday and two windup tilts next week.

South City leads the pack (three games left) with an 8-3 mark. Burlingame, which knocked off Hillsdale on Tuesday, 9-6, is one game out, followed by Westmoor and Capuchino, both at 6-5.

This Friday, Westmoor hosts Cap, followed by games Tuesday here against Hillsdale and Friday against Mills, also at Westmoor. Jeff could put Burlingame out of the running there this Friday afternoon.

Next Tuesday the Injuns face Capuchino there, followed by a finale with South City here on Friday, May 22.

Healthy-again Dave Simons halted loop-leading South City on seven hits Tuesday for the Rams. A three-run second inning and a five-run third killed

the Warriors. It was their most solid thumping of the year and a jolt to ace Bill Dawson.

Jeff junior Don Staff padded his impressive hurling record as his four-hitter dumped lowly San Mateo. The Indians got only six hits but three Mateo errors helped.

Jeff lost to Mills last Friday, 6-3, as Walt Carlson lasted only two innings. Len Anderson took over and pitched creditable ball. Mills got one run in the first and five to wreck the Tribe in the second. Burlingame tripped Westmoor the same afternoon, 2-1, as Coach Rod Losberger's Rams had more invalids than you'll find after a weekend beatnik party.

W'moor Pennant Hopes Dwindle After 2-1 Loss

Westmoor's Peninsula League pennant hopes went down the drain Friday as Rod Losberger's flu-ridden Rams lost a 2-1 decision to Burlingame's varsity down south.

The setback was the fourth in the last five games for the Daly City nine, leaving them with a 5-5 loop record going into this week's games with first-place South City (8-2) and Capuchino (5-5). The Rams host Cap this Friday at 3:15.

Tony Broadwood held Westmoor to three hits as Burlingame stayed in the flag fight. Losberger used Dick Reese on the hill as front-line hurlers Bob Goodwin and Dave Simons both were on the sidelines. Goodwin just had his appendix removed. Simons, first sacker Bill Dougherty and leftfielder Terry Christmas were out with the flu.

Burlingame's eight hits off Reese included two by Broadwood. The Rams tied the count in the sixth, but Burlingame cinched it with one run in their half of the frame.

The Westmoor sick list forced Losberger to move Barry Krohn from the outfield to first. Ross Holmgren to rightfield, Tom McHugh to leftfield, and Eddie Walthard for McHugh behind the plate.

South City's Bill Dawson outthrew Cap sensation Darrell Weber, 2-0, Friday to keep the Warriors on top the circuit by two big games. Mills beat Jeff and San Mateo nipped Hillsdale in other action.

The first salaried fire department in the United States was established at Cincinnati in April, 1853.

WESTMOOR TRACKSTERS WIN P.L. FINALS, SEEK CHAMPIONSHIP TIE

Ernie Ribera's Westmoor High varsity won the Peninsula League finals here Friday, nipping San Mateo 69 to 63, as both squads entered the final stages of their battle for the overall championship.

Saturday, the Daly City school's medley relay unit, paced by Dave Dunbar's best ever 1:52.9 in the leadoff half mile, picked up 8 points in the Fresno Relays, finishing second to Palo Alto in a 10:25 clocking—just 8 seconds off the national record.

A dual meet win over Burlingame and a triumph over Mills next week will assure Westmoor at least a tie for the Peninsula League title. San Mateo hasn't been beaten in dual meets and Westmoor's win Friday made up for its dual meet loss to the Bearcats.

Dunbar is aching to break the national record in the 880. He

Summer Hints Tuesday Topic At Snell Meet

City, Schools Join Forces To Offer Big Summer Recreation Program

The Daly City Department of Parks and Recreation stated today that the 1959 Summer Recreation Program will be one of the most comprehensive ever offered in the Daly City-Colma area.

A total of 16 facilities will be used to implement the over-all operation through the courtesy of Jefferson Elementary School District and Jefferson High School District. The city

and the two school districts have combined facilities and funds to make the recreation activities available to more people. The latest facility to be added is Westmoor High which will be open as a unit of the City Recreation Program on June 15.

Many new and varied activities are planned for the 1959 season. Among the most popular will be the city's first Day Camp which begins on July 13 and runs for seven weeks. Special arrangements have been completed with the San Mateo County Parks and Recreation Department for the use of Junipero Serra Park in San Bruno for the activity. The camp will operate Monday, Tuesday, Wednesday each week. Bus transportation is being provided. Pre-registration for Day Camp will be held May 19-29 from 2-5 p.m. at DC War Memorial Community Center.

Tumbling, dancing, baton twirling, and trampoline will be featured in many areas. Movies, arts and crafts, tennis, story telling, and many special events will be a part of the busy summer season for youngsters and adults alike.

A complete detailed bulletin of all activities and events may be obtained by calling the Daly City Parks and Recreation Department office, PL 5-0850, Ext. 18.

3 Squads Still Unconquered In Junior League

Three clubs remain undefeated in the Daly City Junior Baseball League after four weeks of play.

On top of the pack are Westlake Flying A, Pomona Tile and the PAL Indians. Westlake downed the strong San Pedro Lunch nine, 7-5. Pomona Tile walloped Holy Angels, 15-0. Bruce Hix pitched two-hit ball and got four hits in five trips to the plate. Rich Arroyos and Roy Beecher combined to shut out Patek-Ecklon in the hit column, but through a combination of walks and errors allowed five runs as the PAL Indians won, 12-5. Centerfielder Ron Goo and third baseman Lee Rowe each slammed homers for the winner.

The B.Y.A. Giants turned in a team effort and shut out the P.A.L. Hawkeyes, 7-0. Visitation got into the winning act by defeating Our Lady of Perpetual Help, 11-6.

Two top games are scheduled this Saturday as undefeated P.A.L. and Pomona Tile meet at the Jeff High diamond at 11 a.m. The 2 p.m. game will feature Broadmoor Youth Association against Flying A.

Tom Snodgrass Notches Midget Loop No-Hitter

Pitchers took the spotlight last week in the Daly City Midget Baseball League sponsored by the Department of Parks and Recreation.

Tom Snodgrass hurled himself into the local "Hall of Fame" as his San Pedro Lunch club blanked Our Lady of Mercy, 7-0. Tom not only turned in a no-hit, no-run effort, but was a terror at bat, driving in five runs, four of them as a result of his bases-loaded homer.

Eddie Roseborough, husky Parkmerced chucker, broke their game wide open in the last inning by clouting a three-run homer to break a 2-2 tie and win a 5-2 victory over the P.A.L. Yankees.

Visitation went on a real hitting spree scoring 20 runs on 17 hits to defeat the P.A.L. Giants, 20-6.

The P.A.L. Red Sox nipped Winter Menzies, 7-6. The B.Y.A. Midgets downed the P.A.L. Braves, 7-4.

POLICE LEAGUE BOXERS INVAD REDWOOD CITY

Four Daly City Police Athletic League boxers are entered in a four-way program this Saturday afternoon in Redwood City.

The DC aggregation, three boxers from Vallejo and three more from South San Francisco's PAL will battle the host Redwood City squad.

John Coleman, PAL president here, says Head Coach Beecher has his DC boys "top shape for this one." The locals recently lost to the Vallejo club.

Sign-ups Begin For Red Cross Swim Lessons

Sign-ups for summer Red Cross swimming lessons for children ages 7 and above are now taking place in all public and private schools in San Francisco.

Four series of two week classes will be held from June 22 to August 14. Experienced physical education teachers will be assisted by 700 teen-aides. Lessons are given on an assembly-line basis so the children can start out at their own particular swim level and are free to move ahead as fast as they can.

About 20,000 youngsters are expected to participate in the "Learn to Swim" campaign. The program is made possible through Red Cross participation in the United Crusade.

San Francisco's Fleishhacker Pool has a capacity of six million gallons of heated salt water.
